- 3. [myob accounting plus v15](#)

Easier to get SuperStream compliant (AU) All Australian businesses need to be by 30 June this year.. • You can now review your Pay Super details, such as your payment limit and who's been set up as an authoriser, from AccountRight.. Click Pay Super Settings in the Pay Superannuation window to get the details Soon, you'll also be able to change some of the details online without having to fill in any paper forms.. • After you verify your bank account we'll now automatically set each fund in your file to be payable via Pay Super.. You should register for an AUSkey today if you don't already have one Also note that the Google Chrome and Microsoft Edge browsers aren't compatible with the Business Portal, so you'll need to when accessing the portal.

So if you haven't already signed up for MYOB Pay Super, the gold-certified SuperStream service that lets you make super payments straight from AccountRight, now's the time to do it.. • Improved help and step-by-step guides that you can access from the Pay Super windows just in case you get stuck or need a refresher.. Download MYOB Accounting Plus for free MYOB Accounting Plus - Some people want more from their accounting software.. No more paper forms for amended payment summaries • Email payment summaries: You can now email original and amended payment summaries to your employees using AccountRight or Microsoft Outlook, direct from the Payment Summary Assistant.. You can still save PDFs to your computer for your own records, but the new emailing feature will save lots of time distributing the summaries to your employees.. Easier GST reporting (NZ) We've worked with Inland Revenue to help make filing and tracking GST returns much easier for you.. But in bigger news, we've implemented two of the most popular requests for payment summary improvements on the: • Payment summary amendments: If you lodge a payment summary, and later realise there was an error or you forgot to include some required information, you can now prepare an amended payment summary using AccountRight, and create an EMPDUPE file that's lodged using the ATO's Business Portal. e828bfe731 [Download Graphic Print Manager for windows 8.1 32bit free version](#)
